

Faith Upgrade

11.05.17

Student Edition

BIG IDEA

The Holy Spirit is an upgrade that Jesus promised. This upgrade involves us following what Paul was told on the road to Damascus, to get up, go and listen for what God tells us to do.

TALK IT OVER

- What upgrade do you need from Holy Spirit?
- How do you read the Bible? Is it boring or blockbuster? Why?
- How do you “get up and go” to share the gospel? What sacrifice and blessing does this bring to your life?
