MAKE ROOM
Discussion Guide

BIG IDEA

Did you know that when we declutter our lives, we can actually create space for miracles? Lifepoint's First Lady, Tammie Floyd, explains how making space in our homes, relationships, and time will eliminate distractions and allow us to fully live out the purpose God has for each of us.

TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- Why is a decluttered home important? What items from your past do you need to get rid of? Why has it been difficult to part with them?
- What is distracting you from building new and meaningful relationships in your life?
- What is hindering you from using the gift of time well? How can you be more intentional with your time?
- What purpose has God given you today and how are you being called to make room for it?

SCRIPTURES

2 Kings 4:1-7

Luke 10:38-42

Jeremiah 29:11

Hebrews 3:4

Hebrews 12:1-2

Esther 4:12-14

PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray for God to reveal any cluttered area in our lives that we need to eliminate to avoid distractions from our purpose and create space for miracles to happen.

LEADER TIPS

- Discuss how to identify our talents and gifts and how they can be intentionally used. Be creative in finding ways your group members can exercise those talents and gifts within and outside your small group for the purpose God gave each one.
