Week 4: How can you make a difference?

Ally was so close to doing something about the bullying! She had a note for Eric and never gave it to him until after talking to Principal Jarvis.

Read John 13:34-35. We can stop bullying by loving people well. If we focused on loving others, even those who are hard to love, then there would be no room for bullying or hate.

Who do you need to focus on loving this week? Maybe it's someone at your school that everyone picks on. Think about how you could change their life by loving them.

In the space provided, write down one person you are going to focus on loving. If you want to have a little fun with it, write their name really big over this card and decorate their name. Let decorating their name be symbolic of putting your time, effort, and energy into loving that person.
