WHAT OUR YES CAN DO

## 12.13.2020 KINGDOM BUILDERS Discussion Guide

### BIG IDEA

In a year full of unexpected twists, turns, and turmoil, God has used Lifepoint Church in a mighty way. In today's message, Pastor Daniel reminds us of the importance and global impact of our giving through the local church. We can rejoice as we do this by recognizing that we are blessed to be a blessing, we can never outgive God, and the more God blesses us, the more God expects of us.

### TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- How has God blessed you even during this crazy year? In what ways has God gotten your attention?
- What is your role in God's calling on all believers to fulfill the Great Commission? If someone called on you, how would you respond? How has God equipped you to be the answer to someone's prayer?
- You can't outgive God. When was a time when you gave up something for the Kingdom of God and received so much more?
- If you have a fear of giving to the church financially, what are you doing to overcome that fear? What is the root of the fear?

### APPLICATION IDEAS

- Missions are critical to growing the kingdom of God. How are you serving the mission of God for the kingdom of God? How can you meet the practical needs of someone this week in the name of Jesus (Matthew 10:42)?

### PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Love is the heart language of God. Ask for God's help this week with translating God's heart language to those who may not understand it.

### LEADER TIPS

- What area do you need to improve to be a better leader? Discuss it with your group coach, develop a plan, and get started.
