LIVING IN THE TENSION
Discussion Guide

BIG IDEA

What would you say is the biggest area of tension in your life? In today's sermon, Pastor Daniel teaches us about the tension between living in the moment and living for eternity. Join us as we learn about four practical ways to truly live in the light of eternity.

SCRIPTURES USED IN THE MESSAGE

- James 4:13-17
- James 5:1-8
- Proverbs 16:9

TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- How do you respond to an urgent situation? How does the level of urgency affect your decision-making?
- How would your attitude towards your plans change if you submitted them to God's plan? Why is it difficult to submit your plans to God?
- What would be your legacy if you died today? What will outlast you? What have you invested in eternity?
- What do you do when you are expecting a house guest? Why? How can you apply the same mentality to expecting Jesus's return?

APPLICATION IDEAS

- Where are you on the path of knowing God, finding freedom, discovering purpose, and making a difference? If you've found yourself stuck along the way, consider attending Growth Track for the first time (or the fifth time!) or checking out Lifepoint College.

PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Generosity can be ingrained in the culture of your family. Pray for wisdom on how to lead your family into generosity and how to be intentional about giving to others.

LEADER TIPS

- Pastor Daniel reminded us that correction is always about protection. If you feel comfortable, share a testimony (story) about a time you were corrected, and it ended up protecting you.
