Discussion Guide

## BIG IDEA

Physical issues can become emotional and spiritual issues if we allow it them to. Lean into these difficult situations and determine what you need to do to change on the inside. Pastor Daniel reminds us God works in unconventional ways. As we see the opportunities, the good, and Jesus, we learn to trust Jesus and come out of the crisis a more hopeful, joy-filled person.

## SCRIPTURES USED IN THE MESSAGE

- Mark 8:22-25
- Philippians 4:8

## TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- What stresses are you experiencing now during the current crisis? How has your daily life changed?
- Choices make you but crisis reveals you. What heart issues can rob us of joy, peace, and hope? What is this crisis revealing that Jesus wants to heal in your heart?
- What are some opportunities that have opened due to this crisis? What actions are you taking in response to these opportunities?
- How are you focusing on the good that is coming out of the current crisis? What is the most inspiring story you've witnessed? What are you grateful for?
- How have you seen Jesus in the middle of all of this? How have your eyes been opened to see Jesus more fully during this crisis?
- In what ways do you expect to be a stronger, more joy-filled person while the crisis continues and comes to an end?

## APPLICATION IDEAS

- Determine what steps you can take to make sure you come out stronger at the end of this crisis than before it began.
- Participate with [unite714.com](http://unite714.com), the largest prayer movement in the history of the world. Based on 2 Chronicles 7:14, stop and pray at 7:14 (AM and PM) for the eradication of this virus from our world.

## PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Ask Jesus to fix what needs to be fixed in you during this physically difficult time so that it doesn't become an emotional and spiritual problem as well. Pray that your eyes will be opened to the bigger picture of what God is doing in this moment.

## LEADER TIPS

- Encourage your members to share the online Lifepoint services with their friends on social media.
