## A WINNING PERSPECTIVE Discussion Guide

### BIG IDEA

Good things can happen in a season of waiting, when we receive it as an incredible gift from God. Pastor Tammie Floyd interviewed Pastors Bianca Olthoff and Donna Pisani about being faithful and winning in the waiting season. When we choose to find community, trust God to be faithful, and lean into the promises of God when difficulties arise, God prepares us to fully embrace what is coming next in our lives.

### SCRIPTURES USED IN THE MESSAGE

- Psalm 34:18
- Psalm 46:10
- Hebrews 11:3

### TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- What does it mean to be in a season of waiting? Describe a time when you gained a fresh perspective in the waiting?
- How can waiting be a gift from God? Why is it important?
- Pastor Bianca Olthoff, from The Father's House, said our destiny can be awakened and formed in community with other believers during a season of waiting. What have you heard from God during this time if you've been forced to change your schedule, slow down and listen?
- Pastor Donna Pisani, from Capital City Church, said the Word of God is what frames and transforms us. How are you creating a hunger for the Word of God in yourself and in those around you?

### APPLICATION IDEAS

- Speak God's promises over your life and over the lives of all in your circle of influence.

### PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray for your members who are going through a season of waiting right now. Ask God to prepare each one for what is coming next so they will live a fulfilled life.

### LEADER TIPS

- Be sensitive to moments when the Holy Spirit is working within the group. Allow the Holy Spirit to move as needed. Transformation is more important than asking all your prepared questions or sticking to your plan.
