OVER & ABOVE
Discussion Guide

BIG IDEA

Pastor Dino Rizzo, Executive Director of the Association of Related Churches (ARC), reminds us that the best things in life usually come from going over and above what we must do. We naturally want to be generous to those we love, but there is so much more God wants to accomplish through us. Start giving and join a team of generous people today out of your love for God and one another.

SCRIPTURES USED IN THE MESSAGE

- 2 Corinthians 9:6-11

TALK IT OVER,

Choose questions that keep the discussion moving. No need to discuss every question.

- What are some things you started doing over and above what was expected because it was important to someone you love? What was the result?
- Why is our attitude important when we give? How can we become cheerful givers? How does our generosity result in thanksgiving to God?
- What is the difference between returning the tithe and giving an offering?
- What are some ways we can give?
- Why is it easier and more effective to be generous as a part of a team?

APPLICATION IDEAS

- Just start: What is your next step in generosity?
- Join a team: If you're not part of a dream team, commit to the group to join one this week.

PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray for eyes to see God move with your more.

LEADER TIPS

- Reflect on the activities your group participated in during SERVE Weekend. Don't forget to discuss the benefits your group members received through their participation.
