MAKE THE SHIFT

Discussion Guide

BIG IDEA

Have you ever heard the sound a car makes when it's stuck in first gear needing a shift? In a similar way, there are times when you need to shift your mindset to move to the next level in your life. Pastor Daniel describes several mindset changes you can make to shift your journey into the next gear of generous and joyful living.

SCRIPTURES USED IN THE MESSAGE

- 2 Corinthians 8:1-7
- Ephesians 3:20
- Philippians 4:19
- Proverbs 27:1
- Acts 20:35
- Leviticus 27:30-31
- Malachi 3:10-12

TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- What eventually happens to a manual shift car when you press the gas pedal hard without shifting gears? How does this compare to keeping a mindset that doesn't allow you to grow?
- What are some of the natural and unintentional shifts that happen in life?
- In what areas of your life do you need to shift from entitlement to empowerment?
- How is grace involved in shifting from greed to generosity?
- How can you begin to shift your perspective and self-talk to a mindset of abundance?
- What are some practical steps that can be taken to move from a mindset of greed to one of generosity?

APPLICATION IDEAS

- What is the next step in generosity you need to take (percentage giving, tithing, or Spirit-led giving)?

PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray for one another to shift from Lack to Abundance, Not Now to Right Now, Have To to Get To, and Existing to Excelling.

LEADER TIPS

- Play music in the background while people are showing up for your group gathering. Lifepoint Worship music is great for this purpose.
