TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- Who wrote the Bible (66 books written over 1600 years by 40 different people), according to 2 Timothy 3:16?
- What are some reasons people use to deny the authority of God's Word? What is your response to each of these reasons?
- How has accepting the authority of the Bible change your perspective? Your lifestyle?
- How is it possible for you and me to read the same scripture and interpret it differently? How can you accurately apply God's word?

APPLICATION IDEAS

- Commit to consuming the Bible this week in a way that is not your normal method. For example, if you usually read, try listening, or memorizing your favorite verse.

PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray that God gives you an accurate revelation of the Bible and teaches you how to apply what you learn.

LEADER TIPS

- Start this week's small group with a testimony about how the Bible helps you persevere through life grounded and stable.
