PRINCIPLES OVER PRESSURE  
Discussion Guide

### BIG IDEA

Do you want to be financially successful? God doesn't measure success the way we measure success. We must first see the value of who we are in Him. Pastor Daniel reminds us that asking God for more is like asking Him for more of who and what we already are. Focus on your value and begin to make principled decisions to move forward.

### SCRIPTURES USED IN THE MESSAGE

- Philippians 3:12-16
- Luke 12:13-21
- Ecclesiastes 2:11
- Deuteronomy 8:17-18
- Proverbs 21:20
- Psalm 51:5-6 (MSG)
- Proverbs 16:3
- James 1:22-25

### TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- What makes you valuable? How does understanding your true value in God help you in making financial decisions?
- What is the source of your wealth, now and in the future? How should this affect your perspective and actions regarding your finances?
- What are atomic habits? What atomic habits do you have that impact your financial path forward?
- What should you include in a financial plan? How can creating or changing your plan lead to a more prosperous life?
- What financial challenges have you been running away from that you need to face? How can you start facing those challenges?

### APPLICATION IDEAS

- Review the above scriptures and apply each of them to your life by consistently practicing them.

### PRAYER FOCUS
