LIVE LIFE WITH ENTHUSIASM
Discussion Guide

BIG IDEA

Choosing to live with enthusiasm honors God for the gift of today, for this very moment. Pastor Dino Rizzo reminds us we can live our lives with enthusiasm by choosing to obey the Lord's instruction. This does not mean we won't face hard times or challenges, but it does mean we can be confident knowing that because God is within us, the enemy will never reign over us.

TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- If you had to choose between being around a dull person or excited person, which would you choose? Why?
- What is the biblical definition of enthusiasm? Why is it important to serve with enthusiasm?
- How can enthusiasm influence others? What are some benefits we might receive when we choose to live and work with enthusiasm?
- How can you maintain enthusiasm when faced with trials?

APPLICATION IDEAS

- Be enthusiastic. This week, be intentional on energizing your devotion time, elevating your prayer life, and eliminating irritation.

PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray that God will energize you to eliminate bad thinking and elevate your life and the lives of those around you.

LEADER TIPS

- Choosing to serve is an example of living with enthusiasm. Select an activity or opportunity where you can serve others with enthusiasm, even in the midst of your own suffering.
