ARE YOU THIRSTY?
Discussion Guide

BIG IDEA

When we try to quench our thirst for Living Water with anything else, we are left wanting more. Pastor TJ Williams shows us that when we identify Jesus as the true source of everything we need, He quenches our thirst with living water.

SCRIPTURES USED IN THE MESSAGE

- Revelation 22:17 (NLT)
- John 4:7-10 (NLT)
- Matthew 16:26 (AMP)
- Matthew 20:16 (KJV)
- Galatians 6:14
- 1 Corinthians 10:23
- Philippians 4:12-13

TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- Why is water mentioned more in the Bible than faith, hope, and worship?
- What are some things that you're running to that end up making you thirsty again?
- What is the difference between wants and needs?
- Why do you think we retreat to the wrong sources to satisfy our thirst?

APPLICATION IDEAS

- Identify which well (success, self, satisfaction, validation, approval, complacency, or "not as bad as") causes you to make decisions that are contrary to God's word. Bring it to God and drink the Living Water through prayer, reading the Bible, and worship.

PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray that God will replace your wants with His desires for your life.

LEADER TIPS

- Encourage the women in your life to attend the Flavour Conference October 28-29, 2022. Tickets are available now at <https://lifepoint.org/flavour/>.
