HOW DO I KNOW IT'S GOD? Discussion Guide

BIG IDEA

TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- How do you make decisions? How do you determine the best option?
- Step 1 - Does it line up with the Bible: Why is it important to test our thoughts and feelings when making a decision, even when they appear good?
- Step 2 - Will this make me more like Christ: How can we determine if a decision will make us more like Jesus?
- Step 3 - Does Godly counsel agree: Who are the godly counselors in your life? When was a time you followed (or didn't follow) godly counsel? What was the result?
- Step 4 - Do I have peace: What does it mean to have divine peace when making a decision?
- Step 5 - Does it stretch me: What do you do to exercise your faith?

APPLICATION IDEAS

- During the next four weeks, commit to God and to your small group that you will tune in to God every day, tune out things that oppose God, and take steps toward what God has spoken to you.

PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray that you will hear God's voice in a way that you haven't heard it before and for the faith to follow His voice.

LEADER TIPS

- Consider sharing your faith journey in the area of giving with your mentor and then with your group.
