IT JUST COMES SUPERNATURALLY

Discussion Guide

BIG IDEA

Have you decided to make a change in your life only to realize it takes significantly more energy and fortitude than you originally thought? In today's sermon, Pastor Daniel continues with last Sunday's study of the Gardener, the Vine, and the branches found in John 15. Specifically, he teaches us about how to release the idea of control we have over our lives and to allow God to use us as extensions of Himself in this world by remaining connected to Him.

SCRIPTURES USED IN THE MESSAGE

- John 15: 1-5
- Galatians 2:20
- John 1:12
- 1 John 1:9
- Psalm 139: 13-16
- Romans 12: 4-5
- Ephesians 3:19
- Joel 2:25
- Matthew 6:3

TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- What mannerisms and phrases have you picked up from your family? What have you noticed children saying or doing just like their family does?
- What does it mean to live by faith? What are some outcomes of living this way?
- What comes naturally to you that needs to be replaced by remaining in the Vine and living by faith every day?
- Who does God say you are? What is your identity in Christ?

APPLICATION IDEAS

- Take a step of faith this week and draw nearer to God. Journal each day about how you felt throughout the day. How was your attitude towards your day/life this week after consistently and intentionally drawing near to God?

PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray this week about the area in your life that comes naturally to you that, by faith, needs to be replaced by the Supernatural.

LEADER TIPS

- Encourage notetaking during the discussion. Real learning only takes place if what is revealed is remembered and applied. Taking notes helps with understanding and remembering the discussion.
