DON'T STOP HERE
Discussion Guide

BIG IDEA

If we live with a “finish line” mentality in our faith, we run the risk of thinking we’ve arrived. Pastor Daniel reminds us that there is no finish line when it comes to our faith. There is always more with God. God has a way of leading us to places that put us in over our heads, so we can grow through it. The greatest investment you can make this year is in growing your faith.

SCRIPTURES USED IN THE MESSAGE

- Proverbs 29:18
- Joshua 1:1-6
- Colossians 2:6-7
- Ephesians 2:10

TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- What finish lines have you crossed so far in your life? What is the danger of applying the finish line mentality to your faith?
- Where have you stopped short of what God has for you because of unbelief? How have you limited God’s blessing on your life because of how you see yourself?
- Why is it important that we don’t stop growing as a follower of Jesus? How do we do this?

APPLICATION IDEAS

- We’ve learned how to normalize our dysfunction. How will you get uncomfortable so you don’t stop but move forward? What is something that you quit that you need to restart?
- What will it take for you to be “a new me in ‘23”? How will you grow through the year?

PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray to be strong and courageous as you step into all the blessings God promised you. Pray to be able to give Jesus permission to be Lord over all areas of your life, especially any areas where you want to maintain control.

LEADER TIPS

- Be intentional about being the thermostat for your group by setting the tone and temperature in your meetings, conversations, and activities.
