DECISION MOMENTS
Discussion Guide

BIG IDEA

Financial freedom is possible. Pastor Daniel shares the steps needed to have the right perspective, the right plan, and the right execution. Make this a decision moment that puts you on the path to financial freedom.

SCRIPTURES USED IN THE MESSAGE

- Luke 12:13-21
- Deuteronomy 8:17-18
- Psalm 24:1-2
- Proverbs 21:20
- Proverbs 21:5 (ESV)

TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- What were some of the big decision moments in your life that changed everything? What motivates you to make disciplined decisions?
- How will your decisions change when you recognize that God is your source and owns it all?
- What difference does it make when you realize that you're a manager of the resources God provides? Why is our financial freedom dependent on this realization?
- Why is generosity the first step to financial freedom?
- How would you define emergency spending? What does God say about it?
- Are you the person who is financially overwhelmed or the person who is on the right track? What is your plan for financial freedom?

APPLICATION IDEAS

- Discuss the financial resources at <https://lifepoint.org/financialresources/> and how they can be used to help each participant create and follow a financial freedom plan.

PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray that God will guide each person as they evaluate and take action on their path to financial freedom.

LEADER TIPS

- At the end of the discussion ask members to share the key takeaways they received. This will help reinforce the discussion and tell you what was most important to them.
