SUFFICIENT GRACE  
Discussion Guide

## BIG IDEA

Pastor Tammie Floyd reminds us that God's grace is sufficient. She leads a question-and-answer session with three women who have gone through difficult times. In each situation, the women followed God's path, He gave them strength in their weakness and turned it to good. God can do the same for you.

## SCRIPTURES USED IN THE MESSAGE

- 2 Corinthians 12:7-10
- Romans 8:28

## TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- Describe "grace" that is mentioned in 2 Corinthians 12:9.
- What are some "thorns in the flesh" or pain points that people could experience as a weakness?
- What can we do when we experience a weakness? What did Paul do?
- What is the difference between a want and a desire of your heart?
- Why is it essential to reach out to a community of believers for help with your struggles? What is the danger of going into isolation?
- What challenges have you faced and how have you seen the Holy Spirit come through for you?
- When have you felt God's strength in your weakness?

## APPLICATION IDEAS

- Have each participant identify one or more difficulties they are currently experiencing. Have them determine what their next step needs to be to get in alignment with God's path and allow Him to use it for good.

## PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray for God's strength in your weakness and that your heart's desires be in alignment with His.

## LEADER TIPS

- Greet people with a smile as soon as they arrive at your small group gathering. This responsibility can even be assigned to one of your members (especially one with a spiritual gift in hospitality, helps, or discernment).
