WHERE DO WE GO FROM HERE?
Discussion Guide

BIG IDEA

Your steps must align with the will of God. Berchman Paul, Richmond Worship Director, shared that the way we do something creates a narrative of who we are because past performance is an indicator of future performance. It is important not just to ask ourselves where we go from here. We also must ask God and follow His order. This is a sign of humility, which attracts the favor of God.

SCRIPTURES USED IN THE MESSAGE

- Proverbs 16:1-3, 7-9, 18-19 (NASB)
- Proverbs 14:12
- Romans 10:9-10
- John 15:10
- Proverbs 2:1-5
- Numbers 12:3
- Daniel 4
- Proverbs 6:16-19

TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- What are some things you've done in the past that have shaped your future performance? How have you reshaped your life as a result?
- Would you prefer to humble yourself or be humbled by God? Why?
- Who were the strongest influencers in how you determined your next steps and the person you're becoming? How did they influence you?
- Why do we sometimes think that God should give us the results of His promises before we meet His conditions first?

APPLICATION IDEAS

- Proverbs 2:1-5 shares a list of if/then promises. Read and meditate over this scripture and apply these to your life.

PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray that your group members and you will move forward in God's order with humility following God's will and godly intentions to fulfill your destiny.

LEADER TIPS

- Add variety to your group prayer time. Consider changes during prayer time like dividing into smaller groups, doing a prayer walk, or focusing on thanksgiving for answered prayers.
