HOW TO FIGHT FOR THE NEXT GENERATION  
Discussion Guide

### SERMON SUMMARY

Faith is generational, and it begins in our youth. Therefore, it is important to support the youth of this and the next generation by being a Christ-like example. Pastor Daniel shares four ways we can fight for this generation. They are:

1. Pray for this generation.
2. Make church a priority.
3. Be planted in God's house.
4. Participate in their growth.
