FAITH FOR MORE  
Discussion Guide

### SERMON SUMMARY

Hebrews 11:1 defines faith as the substance of things hoped for and the evidence of things not seen. It takes faith to believe in miracles, which shows us the power and the presence of God moving and working in our lives. In today's sermon, Pastor Daniel challenged us to grow and to develop our faith by embracing the fullness of what God can do in and through us.

### SCRIPTURES USED IN THE MESSAGE

- Psalm 77:13-14
- Acts 10:37-38
- John 14:11-12
- Matthew 10:7-8
- John 10:10
- Mark 10:46-51

### TALK IT OVER

Choose questions that keep the discussion moving. No need to discuss every question.

- Faith gets near to Jesus: What does it look like for you to get near to Jesus? How do you seek Jesus?
- Calls out passionately: How do you pursue Jesus? Does the level of desperation and persistence factor in the outcome of prayer for miracles?
- Obeys immediately: What is your role in the miracle?
- Asks specifically: Why does God value specificity in our prayers?

## APPLICATION IDEAS

- List specific things you are believing God for. If you are believing for someone else, ask them specifically what they need from God.

## GO DEEPER

Additional ideas for a deeper study of the sermon topic.

- Pastor Daniel identified that there were 13 healing miracles, 7 creation miracles, and 5 deliverance miracles.
- Find examples of these miracles in the Bible.
- How did the characters respond to the crisis? How did God respond? How would you respond if you were in a similar situation?
- When they received their miracle, what did God do afterwards?

## PRAYER FOCUS

At Lifepoint, we pray until something happens. Make time in every group meeting to pray for one another and the larger matters of concern to your group.

- Pray this week that God helps you to get near Jesus, call out passionately, obey immediately, and pray specifically.

## LEADER TIPS

- Reminder: Easter weekend is coming up April 19-20. Be in prayer about who you will bring to church that weekend.
